Still got the blues by Gary Moore

Used to be so easy to give my heart away
But I found out the hard way
There's a price you have to pay
I found out that love was no friend of mine
I should have known time after time

So long, it was so long ago
But I've still got the blues for you

Used to be so easy to fall in love again
But I found out the hard way
It's a road that leads to pain
I found that love was more than just a game
You're playin' to win, but you lose just the same

So long, it was so long ago
But I've still got the blues for you

So many years since I've seen your face
Here in my heart, there's an empty space
Where you used to be

So long, it was so long ago
But I've still got the blues for you

Though the days come and go
There is one thing I know
I've still got the blues for you
